Preparation

1. Speak with local license commission regarding compliance regulations and additional policies to be checked (Alcohol Server Training, ie. TIPS, Regulation copy on hand etc.)

2. Acquire help from local Police or specified Agent of the Commission or Alcohol Beverage Control Commission (ABCC) Agent.
3. Solicit youth volunteers who are from out of the area (High School, College, Civic Group) and are under twenty-one. They will be trained in compliance check protocols by ABCC, Police, or LUK.
4. Acquire list of all licensed establishments both on-premise (bars, restaurants and clubs) and off-premise (liquor stores and package store) with addresses.
5. Officer/Agent selects an establishment, or rally point, to begin route from. Route should be prepared beforehand to organize reports in order of route and can be split up in different teams for the sake of speed and number of licensees.
6. Youth volunteers will bring active personal ID's, that will be used and brought into the licensed establishments.
7. Police should have purchase money, breathalyzer for before and after activity, camera, either Polaroid or digital as long as it can be downloaded and printed that night to include in the file.
8. A notice of compliance will be sent out annually and to all new license holders.

Activity

1. Meet at Rally Point to collect paperwork from youth (Parent Permission and Release, Compliance Check rules, Youth ID) and conduct breathalyzer on all participating youth. Two (2) photos are taken of the youth one of the youths face and one full length photo. These items are filed in with the compliance check file.
2. Team(s) begin on the route(s) making certain to keep line of sight with youth entering locations while being at a discreet distance.
3. If during a check the youth feels uncomfortable or unsafe they should have a cell phone either already dialed to the agent outside or ready to dial. This can be used as an exit strategy or in case of danger. Youth shall otherwise not use cell phone while inside the establishments.
4. Field reports are filled out stating the time entered and exited and if alcohol was purchased. Completed Field reports will be filled out either by youth or by questioning youth on details (Description of clerk, Alcohol ordered, Price Etc.)
5. *IF WORKING IN TEAMS* Should one team complete their route they should contact second team to coordinate help on check completion.

Post-Activity

1. Violation forms will be filled out by the officer and delivered upon completion of the operation but will only be delivered following the completed compliance check operation. The Police or Agent enter the establishment and explain the purpose of the violation and identify the responsible parties if possible. Two (2) copies of the violation are signed by the manager or store representative and law enforcement. One is the stores copy and the other goes into the compliance check file. Refusal to sign will be indicated as such. If establishments are closed when handing out violations they will be given out within two (2) business days. Notice of alleged violations will be submitted to the local license authority upon conclusion of the compliance operation. Following the submission, the local license commission will review the alleged violations at the next regular scheduled meeting. The license commission may conduct a disciplinary hearing as a result of the violation.

3. Congratulatory letters will be mailed by the local license commission to those who pass the compliance checks.
